Mrs. Margaret Klingler
(1910-1973)

Let us not think of our departed dead
As caught and cumbered in these graves of earth,
But think of death as of another birth,
As a new freedom for the wings outspread,
As a new adventure waiting on ahead,
As a new joy of more ethereal mirth
As a new world with friends of nobler worth,
Where all may taste a more immortal bread.

Copied from
